

# THE ENRICHMENT PROGRAM

## AT THE ACADEMY OF MCKAY'S MILL

At The Academy of McKay's Mill, we believe that learning should be fun!!  
Therefore, we include an enrichment emphasis in our regular programming.

These classes meet weekly for 30 to 45 minutes!!

**These enrichment classes are provided for your child at no extra cost to you!!**

### ABRAKADOODLE

Abrakadoodle introduces children to art and art appreciation through a hands on, process approach that ignites the imagination!! Our children have the opportunity to create masterpieces as they learn about the great masters!!

### BRAVO! NINOS!

Bravo! Ninos! brings the Spanish language to your child at the most developmentally appropriate age to learn a second language!! While gaining confidence in their newfound language skills, our children develop a foundation for future language acquisition!!
